

Calling all Veterans

The Virtual Care Consortium of Research (CORE) is seeking Veterans to join our team!

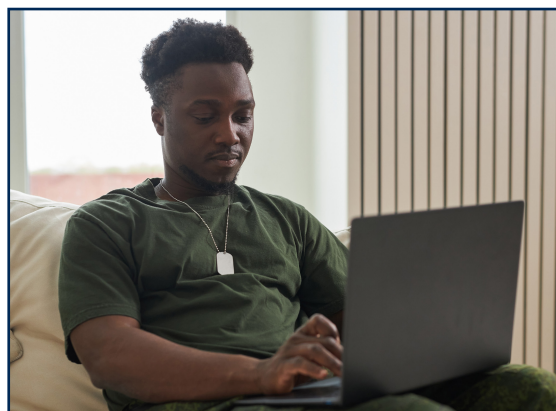

We are seeking Veterans who can:

- Share your experiences using VA telehealth and other technologies (e.g., video visits, My HealtheVet, telehealth home monitoring devices, MOVE! Online, VA Mobile Apps such as PTSD Coach)
- Ensure Veteran perspectives are included in VA research!
- There are two opportunities to participate:
 1. A **Veteran Engagement Panel** where you will work collaboratively with other Veterans to give feedback to researchers
 2. A **Survey Panel** where you will complete optional surveys on your own time to help researchers design studies
- Veterans will be compensated for their participation

Interested?

Take this survey, and someone from the VC CORE will be in touch!
